Mr. Kaufman, Miss Giese, Mrs. Glasman

A little more serious-minded we returned to S.P.H.S. for our final year. After adjusting schedules to matured plans and getting senior pictures made, we honored Dr. and Mrs. Whittier with the annual Harvest Ball. Crowned King and Queen at that affair were Gilbert Hoy and Joan Blocker. Football games, a skating party, and an inspirational Thanksgiving chapel kept us busy throughout the fall.

With Christmas vacation over, senior committee groups began to function, only to be interrupted by semester exams. Feature elections and basketball games were steps along the way to the Basketball Bounce. For this honor to our team and its coach the Hi-Y's and the senior class joined hands.

Throughout the spring, keeping our eyes on graduation, we tested our varying abilities on class-night rehearsals, scripts for will and history, the choice of a suitable play and the following tryouts. To accommodate the demand, two performances of Clarence Day's "Life With Father" delighted two capacity audiences who enjoyed the attractive setting, the charm of costumes, and the art of the cast, especially Ken Hurley as Father and Sydney Stoner as Vinnie. From this success we made an enlarged donation to the intercommunication system.

Commencement week with the dignity of Baccalaureate, the fun of Class Night and the thrill of Graduation was all we had expected. Yet saying farewell was not untinged with sadness, and through the years we shall treasure fond memories of our own St. Pete High.

JUNIORS

We, the Juniors, returned with enthusiasm to our activities. These included selling lipstick on Sophomore Day, selling pencils throughout the year, and conducting a parking lot during athletic events. In financing other class commitments, such commercial undertakings were beneficial.

Continuing to uphold tradition, our class presented the Yule-time play, "The Christmas Gift." Our edition of the *P & P*, carrying the results of the Junior Popularity Contest, and the Prom committees, came off the press March 17.

As a final effort to bring our financial status to requirements, we presented in a return engagement the Gibbs High School Choir. Senior class elections made us realize that the responsibilities of being seniors were almost upon us.

The Junior-Senior Prom, the year's outstanding social event, guided by co-chairmen Mary Irwin and Martin Griffin and their efficient committees carried out the jungle theme. Its beauty and gaiety provided a fitting honor for the departing class. We finally suffered through exams, and fulfilled our last duty as decorators and ushers for Baccalaureate.

SOPHOMORES

Our first year at S.P.H.S. began as we found ourselves rushing down the long halls to our classes. All too soon came Sophomore Week when we learned a new ten commandments and carried books for our elders. Our feelings were eased at the wonderful Sophomore Ball which the Student Government presented in our honor. Darby Boling and Helen Russell were our chosen King and Queen.

Christmas holidays interrupted our study routine with two glorious weeks of vacation. The Holiday Hop, an annual affair of the Student Government program, furnished a joyful time. This being the homecoming dance, we for the first time became a part of the past as well as the present S.P.H.S. group. Soon after returning to school, we ran into midyear exams.

Easter vacation came at last. This brief pause for play helped us to put out a wonderful Sophomore Edition of the *P & P*, one that contained our choice of outstanding sophomores. Election of Student Government and Junior Class officers for next year went off smoothly. To leave a grand memory of our first year at S.P.H.S., we frolicked at the Sophomore Party. As our final activity we decorated and ushered for Baccalaureate.

STUDENT GOVERNMENT

The Student Government under the efficient management of the officers, advisers, council, Senate and faculty has made this, its fifteenth year, one of worthy accomplishments.

As Sophomore Week approached, all members were busy with plans for the tea, Tag Day, sophomore elections, and the Sophomore Ball. Next followed the Senate elections and the naming of the Student Government committees. In October four delegates with a sponsor attended the S.A.S.G. convention in Charleston, West Virginia, where they conducted a discussion group.

With the I.C.C. elections over, attention centered on a school clean-up program carried out by the clubs. Later all interest turned to the preparation for the Holiday Hop.

Among other activities was the installation of the Student Government Store and the three long-needed bulletin boards. Along with these projects, the Safety Committee, supervised by the School Improvement Committee, joined the standing committees.

In March five delegates with a sponsor traveled to Bradenton where they attended a meeting of the Florida Association of Student Councils.

After provision for the future took shape in the election for the coming year, the entire membership of the Student Government body could justifiably review with pride the successful year, closing June 1950.

Dick Snelling, Ed Weiss, Mary Jane Bumpous, Martin Griffin, Diana Wildman, Jean Wixon, Carrie Goldner, Hansi Lischka, Jim Aton, Franklin Campbell, Dot Dean, Joe Reed, Charles Harrison, Malcolm King, Dave James.

"PALMETTO & PINE"

Most of us pass the *Palmetto and Pine* room every day, yet few of us realize what goes on within those four walls to make it possible for the *P&P* to come out on Fridays during home-room period. Every seventh and eighth periods the pounding of typewriters indicates that news is in the making.

The success of the paper is due largely to the capable and hardworking staff headed by Joe Reed, and followed up by Steve Brown and Nancy Shaw. Through their leadership and the co-operation of the entire staff, S.P.H.S. had one of the most outstanding volumes of the *Palmetto and Pine* that has ever been published.

Advisers: Mrs. Logan and Mrs. Best, who generously gave their time and suggestions for the *P & P.*

Cartoons and other art were the product of Dot Dean, *art editor*, while Carol Doran will be remembered for her feature stories. Mary Frances Treadwell was the efficient *editor* of the spring literary magazine.

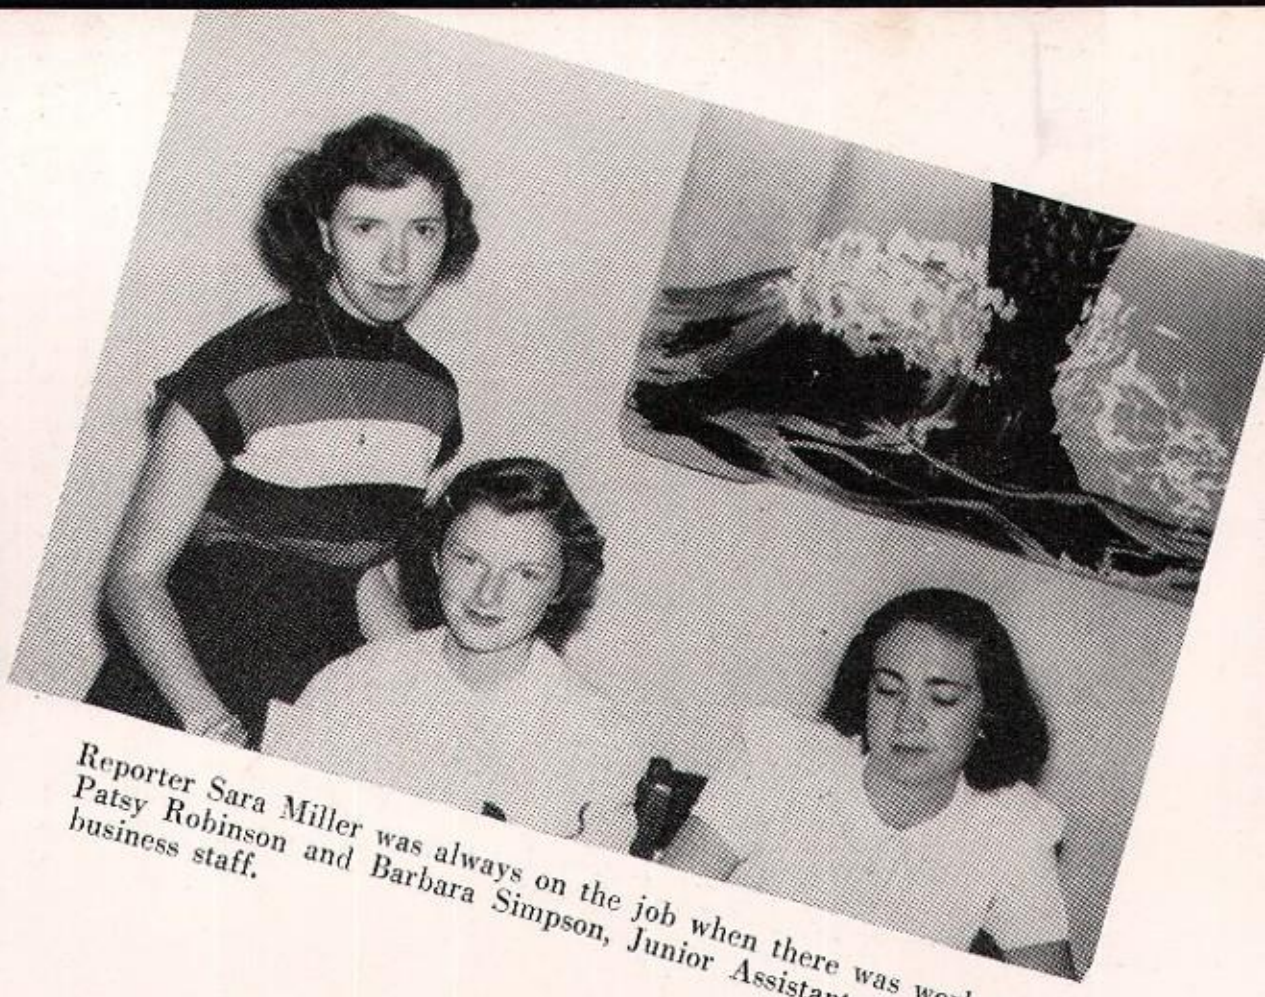
Martin Griffin, *junior assistant*, was always on the job helping senior staff members. Carrie Goldner, *exchange editor*, was responsible for exchanging the *P and P* with other schools. Howard Kornfield took all the pictures which contributed to the success of the *P and P*.

Right: Sports editor Jim Farber kept all the sports fans well informed. Hansi Lischka, as *make-up editor*, was responsible for the interesting layout of the paper.

Below: Handy *staff members* were Nancy Spraker, Jo Ann Ray, Evelyn Neet, and Charlotte Tippy.

Below, right: Reporters with that proverbial nose for news—Patty Walsh, Pat Keddie, Mary Shaw, Pat Harris, Peggy Harris, Ann Farber, and Virginia Stewart.

Claritta Ballard, Reporter. Connie Martz and Jeanne Sullivan collected spicy bits of items personal and otherwise.

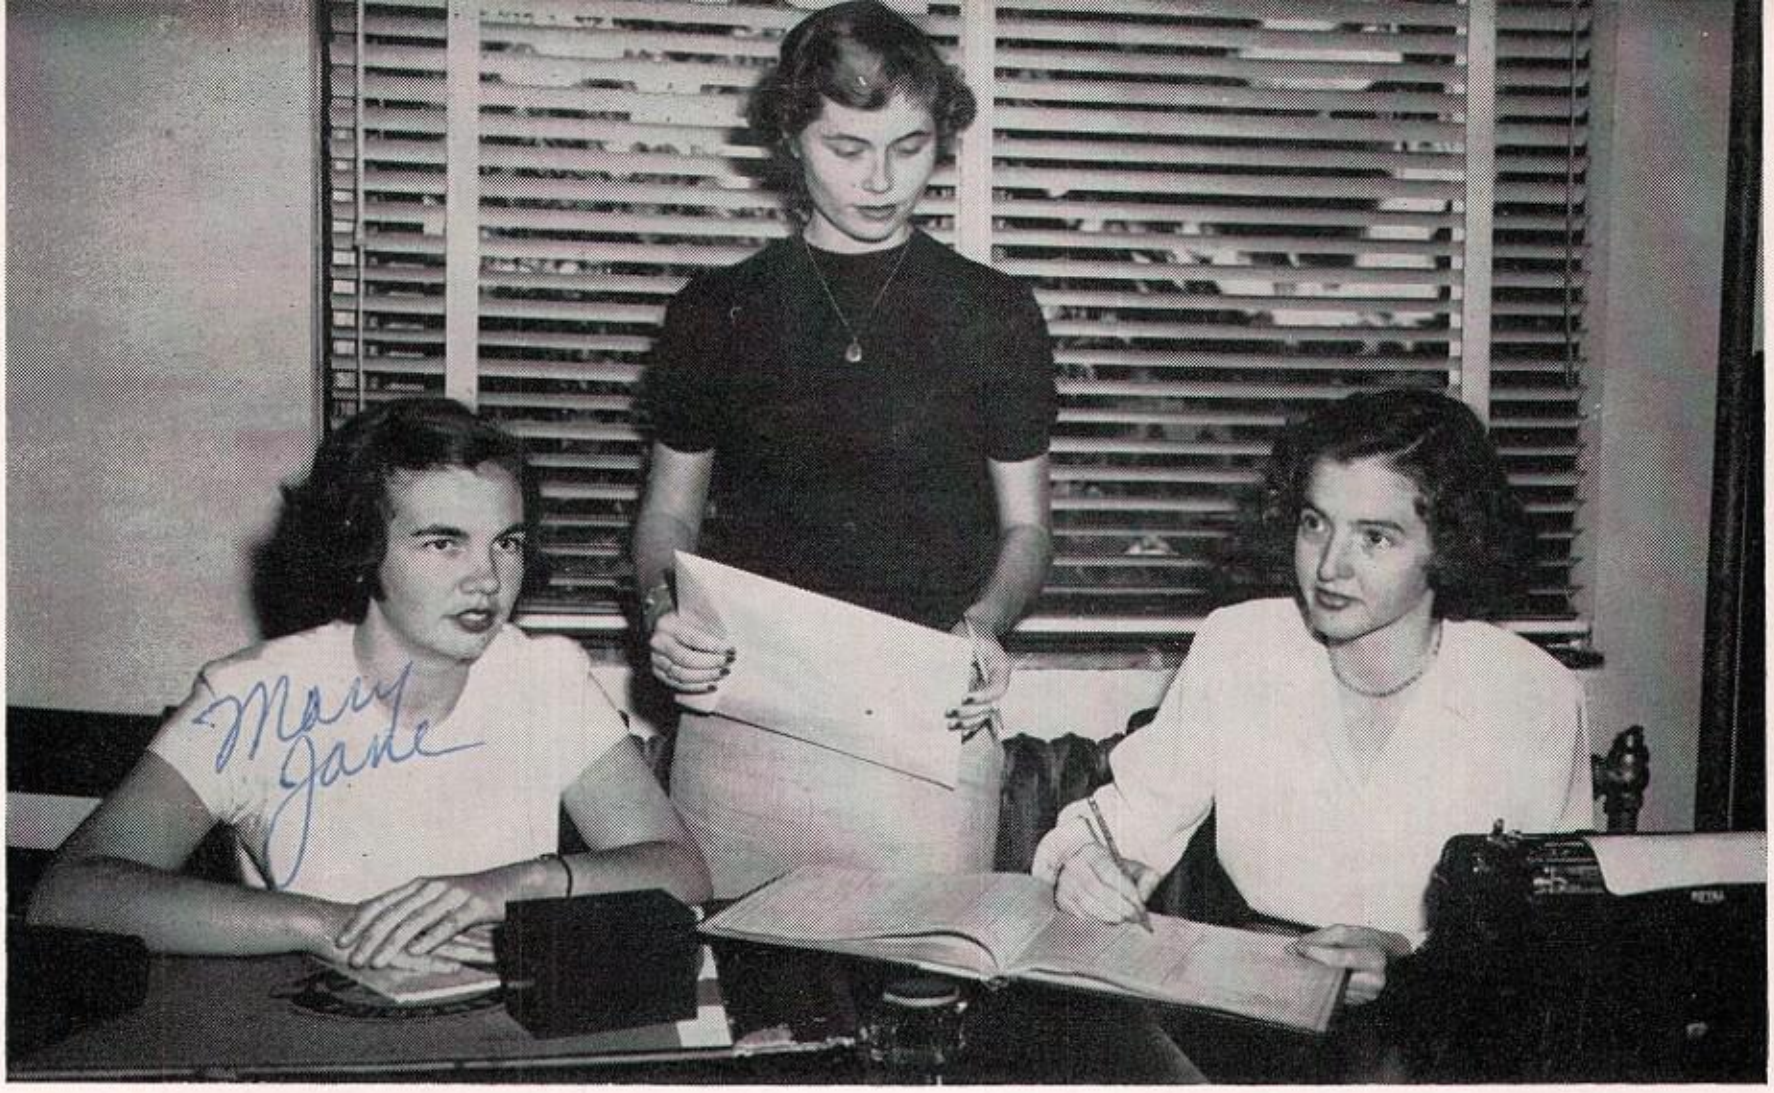


Reporter Sara Miller was always on the job when there was work to do. Patsy Robinson and Barbara Simpson, Junior Assistants helped in the business staff.

George Moore labored long and hard assembling ads for the paper. Many have seen Jeanne Northup circulating around the halls distributing *P & Ps.*

"Could we sell you an ad?," is a question asked often by the following ad sellers: James Clark, Kay Finley, Frank Mountcastle, Barbara Worley, Mary Shaw and Earlene Grounds.

A nose for news and a sparkling personality are possessed by the reporters: Jackie Chase, Roberta Porter, Joan Sloss, Shirley Van Patten, Marilyn Goble, Sylvia Thorp.



Left to right: Mary Jane Bumpous, Editor-in-Chief; Ann Leinbach, Art Editor; Nell Morris, Business Manager.

NO-SO-WE-EA

The curtain closes on another successful year for the annual staff. As we depart from the halls of S.P.H.S. the annual will help to keep alive the memories of acquaintances and experiences of the years gone by.

The capable leadership of our Editor-in-Chief, Mary Jane Bumpous, and the efficient cooperation of the staff made possible this, your 1950 *No-So-We-Ea.*

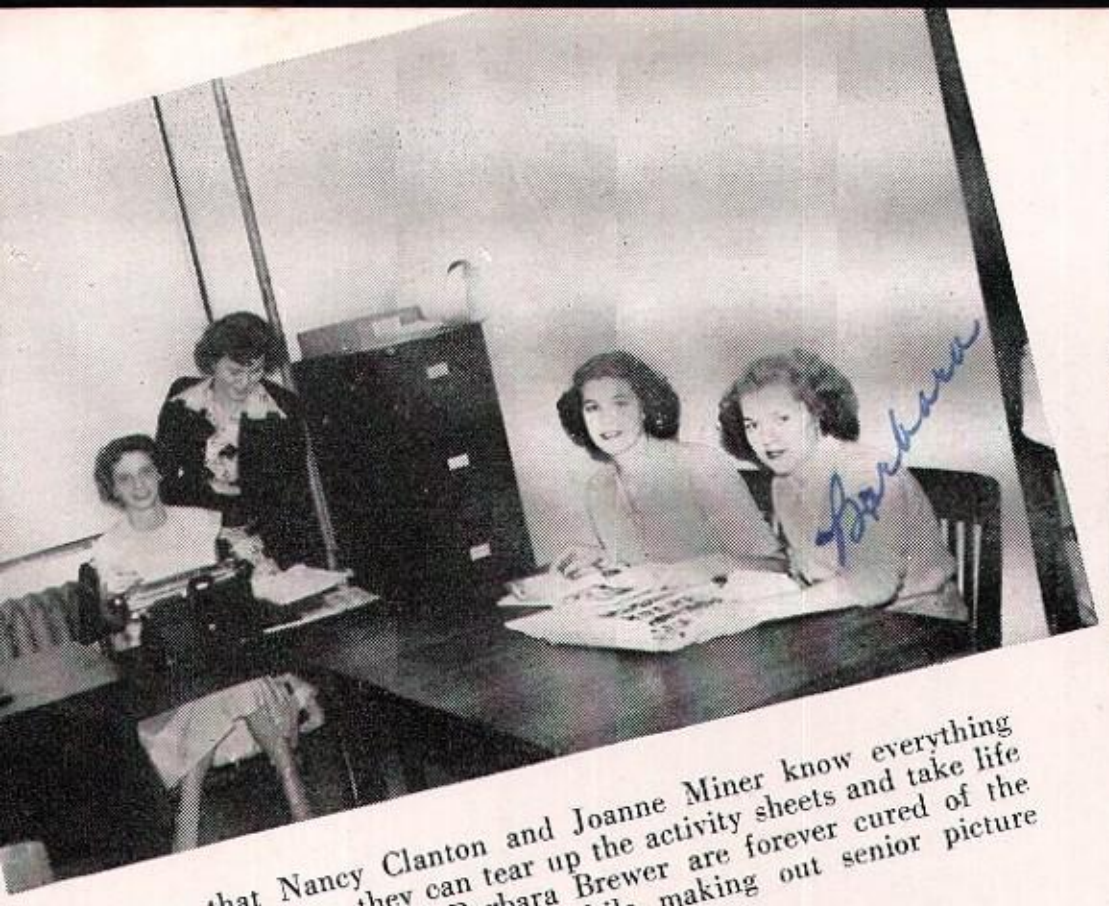
The unpraised yet diligent workers, the advisers, are Mrs. Jessimae Dabney and Miss Janet King, who so willingly helped to assemble this book.

Not to be ignored are the long tedious hours spent by Nell Morris over her column of figures. Ann Leinbach may now put away her pencils and tablets as she completes her term as art-editor.

We've had fun mixed with our hard work. Because of the good times we've had together, we're sorry it's finished.

The 1950 *No-So-We-Ea,* dear S.P.H.S., is yours.

Advisers: Mrs. Dabney and Miss King



Now that Nancy Clanton and Joanne Miner know everything about the seniors, they can tear up the activity sheets and take life easy. Tillie Booth and Barbara Brewer are forever cured of the writer's cramp they acquired while making out senior picture appointments.

Mary Jane Waters can now wash the glue off her hands as the Year-in-Pictures are pasted together. Joan Giblin knows Who's Who among the faculty and students. Roberta Pemble and Mary Beth Beaupre have successfully organized and produced the Organizations and Productions section.

Frank Campbell and Sheila Hunt may from here on attend the various games without jotting notes for their respective sports section. The weary brains of Joan Blocker and Mary Wyatt Upham are at rest as they have finished worrying about new places to take feature pictures.

Pat Fogarty and Amy Lou Strunk have completed the difficult task of assembling clubs and taking the pictures. Rogers Hare, Jr., and Eva Marie Benson may stop consuming aspirin while identifying juniors and sophomores in group features.

NO-SO-WE-EA

Janet Miner, Circulation Manager, and Dee Braniff, her assistant, are no longer bothered by people who have not paid for their annuals. Eileen Gilmore, Assistant Business Manager, is resting her fingers after typing long hours for the annual. "Please-sell-your-ads-as-soon-as-you-can" Joyce Cleary, Advertising Manager, and her assistant, Mary Lou Esposito, are no longer making this statement.

Marlene Allen, Susan Sumner, and Nancy Sweetman, *junior collectors,* can stop roaming the halls collecting payments for annuals.

Photographers Jim Aton and Eddie I. King are now able to take up their cameras without being asked to take pictures of school activities.

Junior representatives Ann Richardson, Memma Ritchie, Janis Lowe, and Nancy Rich learned all the tricks of the trade for next year—when they weren't running errands.

The fine art work came from the artistic hands of Virginia Early, Nancy Dykema, and Bill Tracy.

Here are our outstanding *ad sellers*—Elliot Francis, Nancy Vaughn, Lynn Owen, and Maureen Gray.

Senior collectors Connie Prins, Sally Greenland, Marcie Lee, Charlotte West, Carol Slavens, and Clare Hoffman saw that everyone who paid for an annual got one.

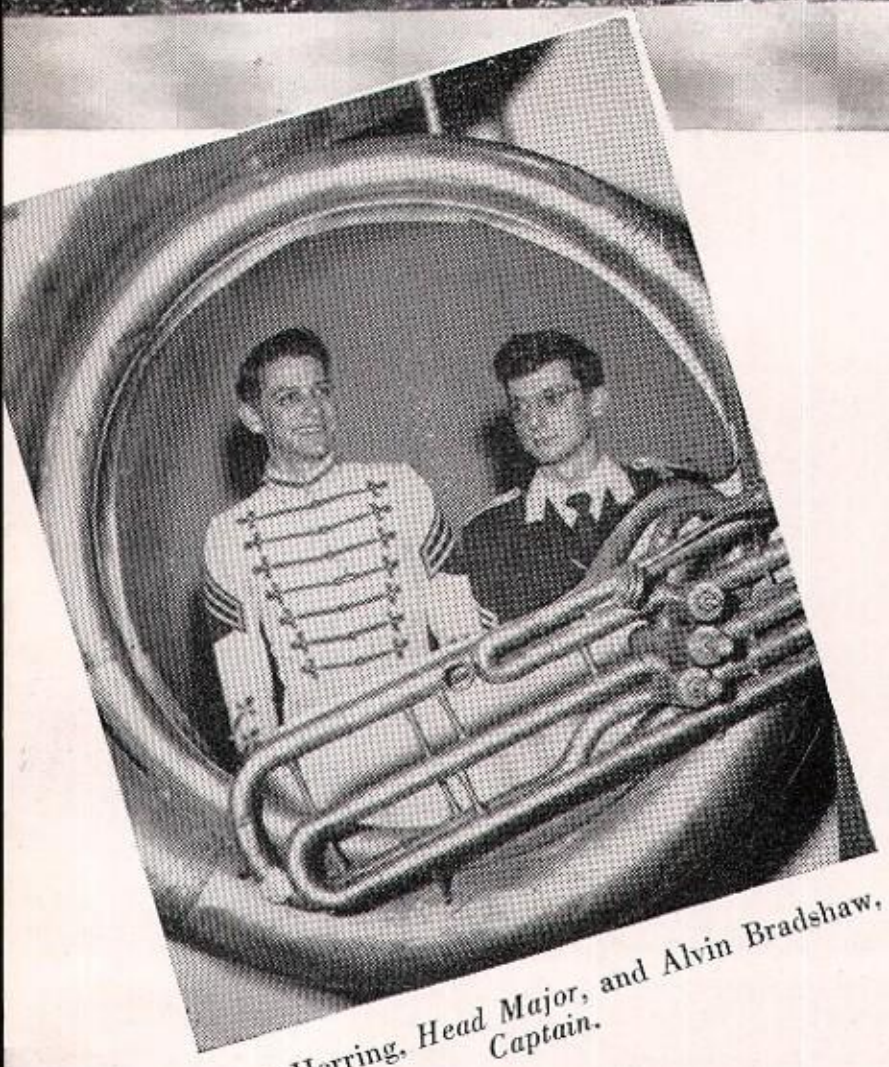
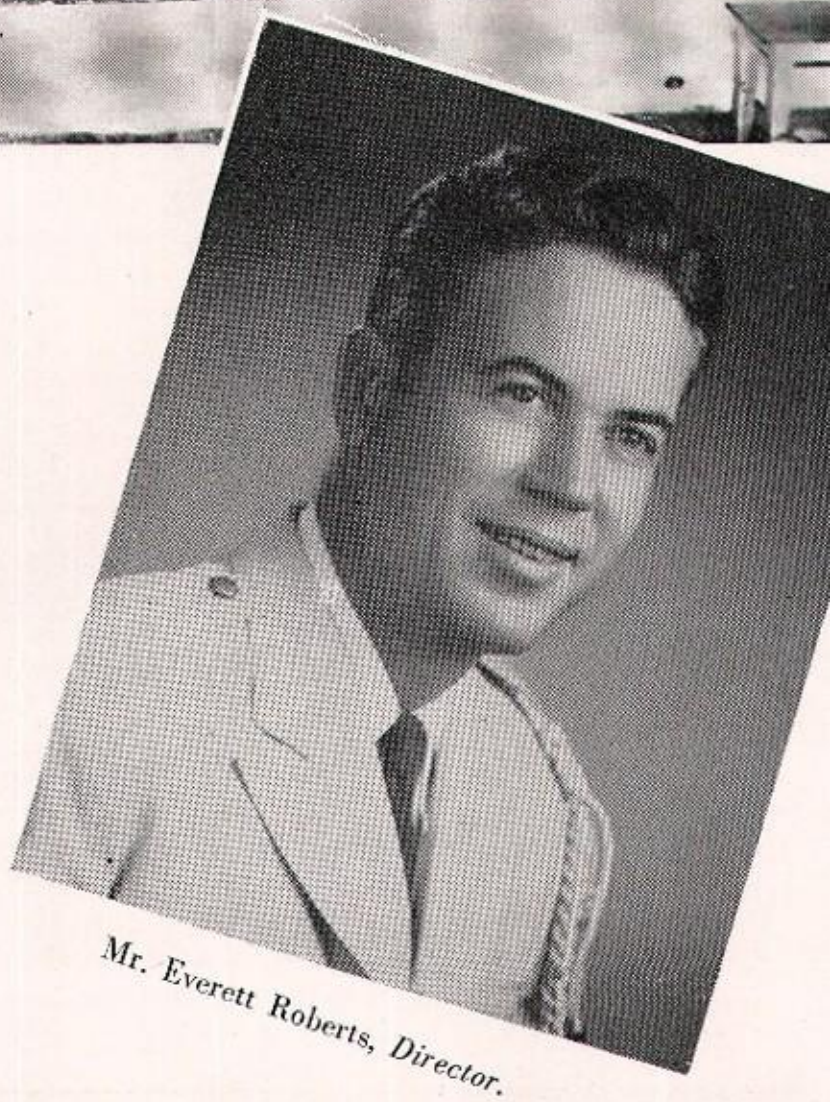
THE BAND



Larry Herring, Head Major, and Alvin Bradshaw, Captain.



Mr. Everett Roberts, Director.

The Band has marched through another successful year under the capable direction of Mr. Everett Roberts. The members spend two periods each day in rehearsal, consisting of special practices held with the separate sections and one period for the full band. Elaborate formations at football games won the applause and admiration of the fans. In addition to providing snappy music for pep chapels, these students performed for various other organizations throughout the city. Alvin Bradshaw did a marvelous job as captain and few will forget the tall hat of Larry Herring, head major. On February 17th the audience enthusiastically received the annual concert which increased the pride of S.P.H.S. for its 1950 Green Devil Band.

SPORTS

GIRLS' SPORTS

The Girls' Athletic Department offered a well-rounded course in physical education this year with opportunities to participate in class, team and exhibition groups.

In physical education classes individual and team sports and folk dancing received the emphasis. Throughout the year as each unit concluded, the girls took a written or practical examination covering the work of the entire unit.

Varsity teams in volleyball, basketball and swimming competed with other high school groups, and the tumbling team put on exhibitions throughout the city. All members of each of these teams received a varsity letter and an invitation to join the Girls' "S" Club. This is an active organization which promotes interest in all girls' sports. This year the club sponsored a skating party and sold St. Pete High sweat shirts to raise money for new uniforms for the basketball team.

The Swan Club and the Flying Angels promote interest in swimming and tumbling respectively. The team of Angels is also eligible for membership in the "S" Club.

In this program each girl can find some sport to her liking, and has the opportunity to develop her skills through active participation in class, club or team.

A well-balanced schedule proved successful for the Flying Angels during 1949-50. Weekly practices along with their performances have kept the girls limber and agile.

To become a member in the Flying Angels, a girl must have two points gathered from participation in demonstrations. The team provided entertainment at the half of basketball games, at benefits, assemblies, and other outside shows.

With future plans for insignia and uniforms, the team is looking forward to another progressive year.

SWIMMING

The girls' swimming team, led by Captain Frances Dwight, under the supervision of Coach Harriet Knarr, did a great deal of hard work from the time they began practicing in November until the end of the season in May. Miss Knarr has shown her ability as a swimming mentor by taking a group composed mostly of inexperienced swimmers and molding them into an outstanding tank team. The newcomers justify a bright outlook for the team of next year. Their coach is to be acknowledged for her fine training and the good spirit and clean sportsmanship of the team throughout the year.

SQUARE DANCING

"Swing your partner 'round and 'round," this familiar call and the sound of hillbilly music were part of one of the most popular phases of the girl's physical education program, square dancing. For six weeks all girls spent their gym time learning new calls and formations, and many became really proficient in this type of dancing.

Quite popular were the "Wagon Wheel," "Texas Star," "Bird in a Cage," and "Ocean Wave," which involve intricate patterns from the Texas agenda of favorite dances. The originality of Miss Knarr's calling the dances along with the use of regular square-dance records added to the enjoyment of the classes.

ON THE GRIDIRON

This year's formidable opponents stopped the Green and White with only two ties but they had a mighty tough job doing it. Our boys out-played and out-fought a number of football foes but had a difficult time getting into the scoring column. The spirited Devils gave the up-county Tornadoes their only tie in twenty starts and put Satanic fear into the visiting Miami team.

It seems hard to believe that the team could not register the ultimate punch and score, especially when we consider the expert running of Rogers McKinnon, Gilbert Hoy and George Sykes; the passing of Hoy and Fred Robinson, and the line work of Marc Hill, Jerry Ulm and Roland Douglas. This is more difficult to believe if we recognize the careful and untiring training of Coach Paul Jenkins and his co-workers.

However, with the new program under way along with the large group of returning juniors and sophomores the future looks bright.

A team which received little credit but which deserved a lot was Coach Fred Goodrich's sophomore footballers, the Baby Devils. This grid team compiled a record of six wins while recording only one loss. OVER THE NET

This year the St. Petersburg Senior High School Tennis Team had one of its most successful seasons. The Green Devils won two and tied two matches. Clearwater and Jesuit of Tampa each put a mar on an otherwise perfect record. However, because of injuries, the team failed to shine at the Big Ten meet.

The members of the team were Co-Captains Dick Macatee and Malcolm Moore, Charlie Williams, Ward Reichelderfer and Johnny Carson. Since all of the players except Ward Reichelderfer, who has been a decided asset to the team, will return next year, the future looks bright for the Green Devil netters.

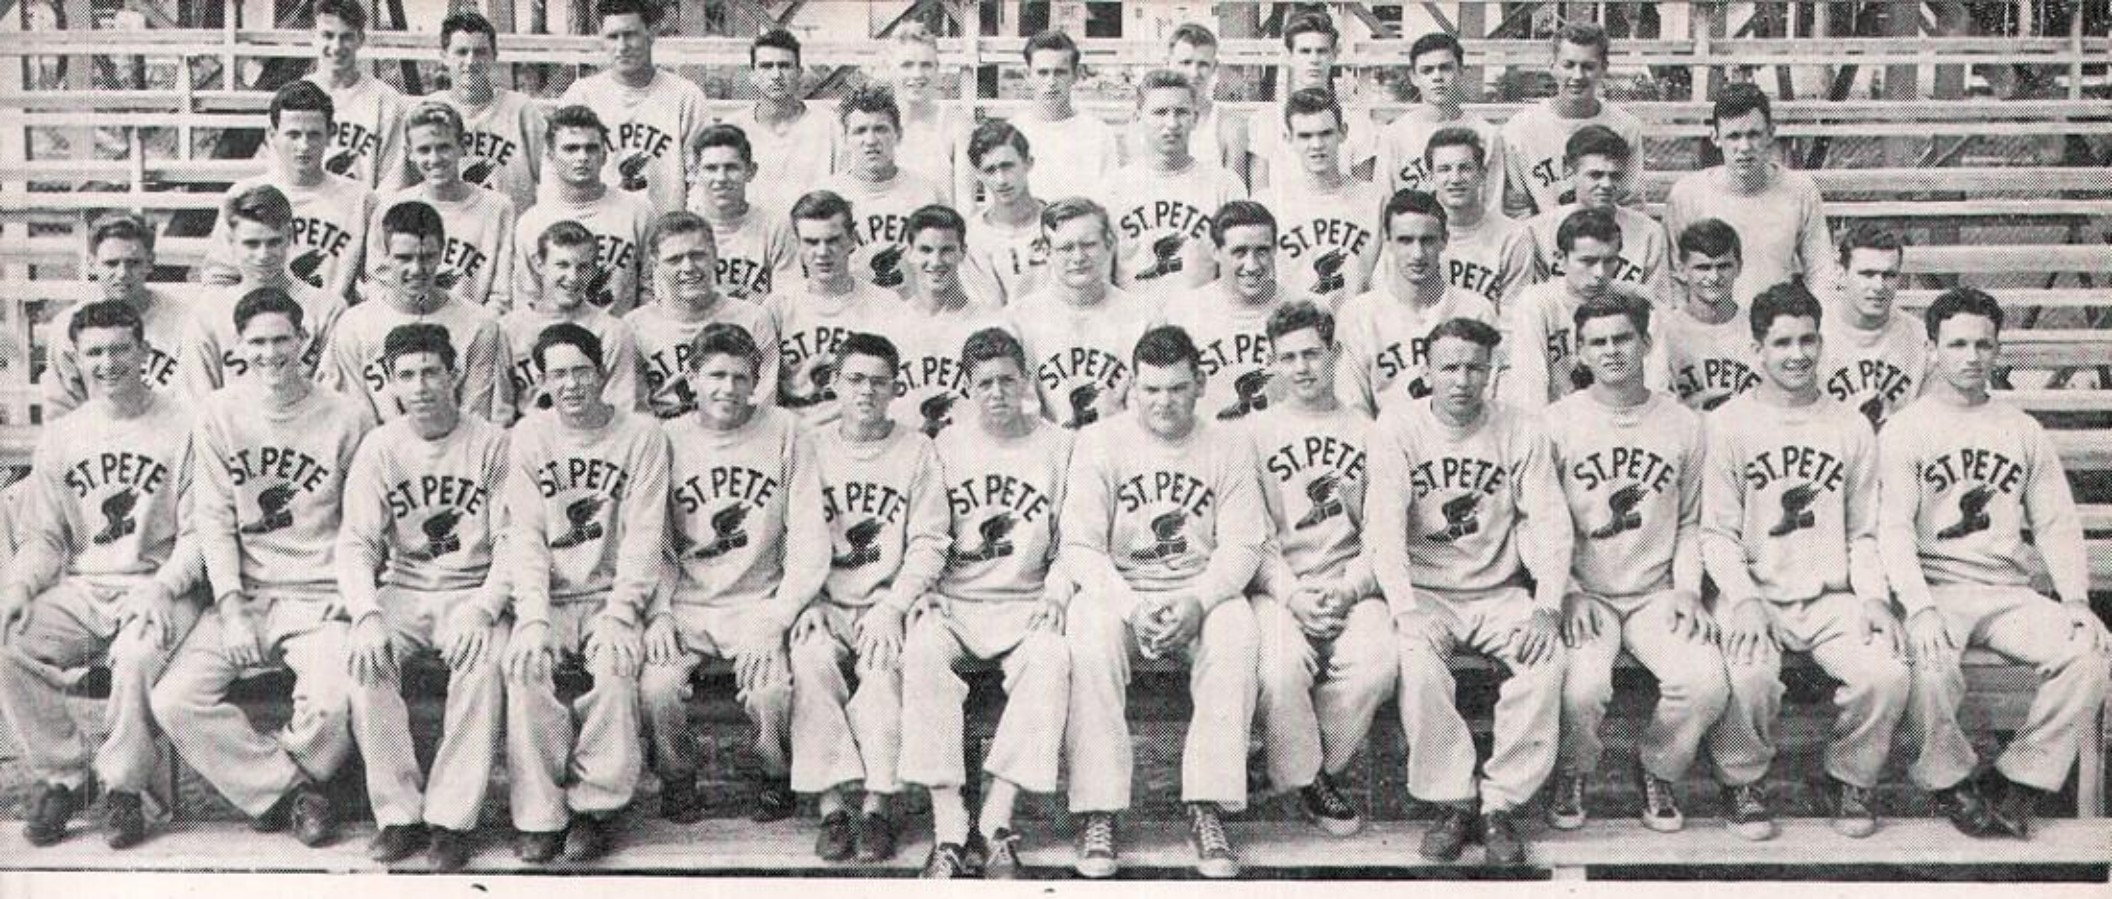
When Coach Bob Gilbert took over as head basketball coach this winter, there were only four lettermen around which he could build his team. But hard practice and fine game performance paid off, and the Devils proved themselves one of the best teams in the state, winning thirteen games and losing seven during the regular season. Eight of the wins were within the Big Ten Conference.

The Devils won their way to the state meet with a 56-48 victory over Hillsborough in the finals of the regional tournament. The fourth seeded Devils were upset in the first round by unseeded Jesuit of Tampa.

Captain Jack Strobridge was chosen on the All-Big Ten team for the second straight year as a reward for his fine play throughout the year.

An impressive victory record has proved that the junior varsity, coached by Soc Plato, has plenty of strength to replace the ten varsity players who will graduate this June.

Fine sportsmanship and good performances throughout the year sparked this team to wins over Ft. Myers, Manatee, Lakeland, Clearwater, and Tarpon Springs.



OVER THE CINDERS

Even at the beginning of the year St. Pete High sensed that the Green and White would be carried to victory on the track and field. Coach Phil Knuth's first year of coaching at S.P.H.S. has been an outstanding one. His first step toward a championship team was to organize a cross country outfit in November. Made up of John Slater, John Reeder, Bill Burrows, Ronnie Young, Pete Gray, Bill Parslow and Fred Hobe, St. Pete's first cross country team won over Hillsborough and finished a strong second at the State meet.

Shortly after the new year Knuth started practices which netted the harriers an overwhelming margin of 105 points over the combined efforts of Plant and Jefferson Highs. After that the cindermen placed a sturdy third behind Hillsborough and Miami Senior in the annual St. Petersburg Relays in which over a dozen teams participated. In the next meet, the Hillsborough Relays, St. Pete and Hillsborough ran away with the honors.

Knuth's ever-improving tracksters in their next meet realized victory over Hillsborough, in recent years one of the most powerful teams in the state.

At the Hillsboro Relays the Two Mile Relay Team of Jim Farber, Jim Leonard, Slater, and Reeder again showed their superiority by dropping the standing record several seconds.

Consistent point getters were Captain Dick Jurczik, who led the way with 57 points in the first four meets, sprinters Hans Jorgensen, Dave Powell, and George Sykes and distance men Rogers McKinnon, Art Littlefield, Farber, Reeder, Slater, and Leonard, and field men Bill Hanson, Dave Segers and Earl Poucher.

In an interclass meet at Hillsborough, the S.P.H.S. Seniors toppled the Terrier thin-clads by a wide margin. However, the Sophomores and Juniors failed to do so well.

Under the superlative coaching and constant encouragement of Coach Knuth, and with the taste of recent victory theirs, the Devil Speedsters traveled to Miami and the Big Ten meet where they gained the respect of all.

Then came the Regional Meet at Hillsborough where a large number of the Satan cindermen survived eliminations and traveled to the State meet.

With a number of good tracksters graduating this year, Knuth has found an equally good number of Sophomores and Juniors to take their places. St. Pete will without a doubt be a major threat in track circles next season.

ON THE LINKS

After a long series of practice rounds and matches to find the boys with the most skill and interest in the game, the 1950 link team was chosen. Members of the team were Bill Parslow, Bud Maris, Norman Knuckey, and Captain Dave James. Deserving of credit also are the alternates, Wilfred Beder, Dick Siefferman, and Scotty Young.

Due partly to a late start, the golfers did not have a full schedule of matches. Two matches were held with Hillsborough in which the cross-bay golfers narrowly topped our boys, 6½ to 5½ and 7 to 5. This was soon followed by the Big Ten Meet in Tampa. The Devils placed seventh in this meet.

S.P.H.S. may well expect a more successful season next year when a team of experienced and improved lettermen starts swinging its way around the links.

Row 1: Manager John Emery, Adam Couch, Neil Clark, Ronnie Keller, Tommy Llewellyn, Ray Wilson, Fred Silverman, Dick Renny, Kenny King, Buddy Fields, Gene Wyatt, Wayne Saunders, Manager Bill Biringer. *Row 2:* Charlie Carter, Art Kaple, Norman Knuckey, George Hemman, Alvin Cobb, Jack Grant, George Farber, Art Allwood, Fred Robinson, Bob Rose, Mitchell Hines, Bill Davis.

ON THE DIAMOND

This season the Devil baseballers had a good season under the direction of Coach Gerry Hendricks. Since there are only three seniors on the team, Devil baseball fans look to an even better season next spring when the team will be built around the experienced juniors and sophomores who are on the team this year.

Captain Dick Renny.

WHO'S SICK WITH WHAT?

COULD you be led to believe that you are suffering from a disease even though you have never been "bitten by the bug" which would cause the sickness? By design or having been misguided, some are anxious to lead us to believe thousands are suffering from a rapidly increasing disease who have not taken into their bodies the poison, ethyl alcohol, which produces this sickness, ALCOHOLISM.

Let's have a look at some definitions:

DISEASE

1. "Disturbed or abnormal structure or physiological action in the living organism as a whole or in any of its parts."
2. "*A morbid condition resulting from* such disturbance."

ALCOHOLISM

1. "*A morbid condition resulting from* the inordinate or persistent use of alcoholic beverages."

You and I both know, for a person to become sick, something has to happen in the body to disturb normal functions. There are people who have a fortune and would give it for good health. It is a priceless possession. No one, except by a stretch of the truth or imagination, wishes to say that he is suffering from typhus, diphtheria, flu, pneumonia, tuberculosis, botulism, or any such illness or poisoning until the germ or substance has entered the body to cause any particular morbid condition.

To say thousands are suffering from ALCOHOLISM who have never touched a drop of intoxicants is stretching something (and it's not the imagination). Our misguided informants want us to believe this is the only group that should never drink alcoholic beverages because they will become problem drinkers—because they are already sick people and readily admit there is no known test to determine who they are. THUS, THE ATTEMPT IS MADE TO SHIFT THE STIGMA OF PRODUCING DRUNKARDS FROM THE MAKERS AND SELLERS OF BEVERAGE ALCOHOL TO THE POOR SUCKER WHO IS GOING TO DRINK THE STUFF, AND WHO IS S-U-P-P-O-S-E-D-L-Y ALREADY SUFFERING FROM SOMETHING HE IS GOING TO BE AFFLICTED WITH WHETHER OR NOT HE DRINKS.

The disease, ALCOHOLISM, comes out of a bottle. It comes out of a bottle that should be labeled with a skull and crossed bones and marked "POISON." Ethyl Alcohol, the kind found in all alcoholic beverages, has been proven by laboratory tests to be a poison. The almost inconceivably small amount of 5 parts alcohol in 1000 parts of blood in the human body will cause death. Some poisons can produce sickness or death depending upon the concentration. Thus, strictly speaking, ALCOHOLISM is a disease produced by alcoholic poisoning.

ONLY THOSE WHO DRINK BECOME SICK WITH ALCOHOLISM AND ANYONE WHO DRINKS MAY BECOME AN ALCOHOLIC—(DRUNKARD).

Dearest Diana,

There are some things that just can't be put in words or writing. Telling you how much I care for you, respect and admire you, hope, wish, and pray for your future happiness is too hard to put on paper. If only my vocabulary were adequate to tell you how much I want to thank you for your unceasing understanding and advice, I would sit and write them to you always.

The only way I can show my appreciation is in offering you a friendship, loyal and loving that will never fail; offer a hand any time you need it; give you anything you may desire and bestow upon you all my heartfelt wishes for all the happiness, success, love and honor that the world could possibly give a girl as wonderful as you are.

Always yours,

Well dear, it sure has been swell having you as a buddy through Junior and Senior High Schools and after so many people sign your year book you begin to wonder who are your best friends but the old saying "The longest known friend is the one on whom tis wisest to depend. Knowing you as long as I have I know you are a very faithful and trustful friend. A Friend to you in need is a friend indeed. Sure do thank you for every little as big things you have done for me.

Dear Diana,
It's been fun working with you in homeroom, trying to coöperate and get coöperation from those dear students! I wish you all the better things of life. You're one of the few people who have the ability to discover what they are and to have them for your own.
Best wishes,
Marilyn Wright

Di —
It's a great pleasure to write a memory at the close of one of the most exciting phases of life. We've had a great time together (Steve too) and I certainly hope that this relationship will always exist. We are going to be alumni of the EFC, too.
Good luck, and I know you'll have it.
Tom.

Dear Diana,
It certainly is nice to be writing in your annual - you are bound for success and all other nice things you so richly deserve - you are a truly outstanding girl, and I wish you the best always.
Love, Mary Jane Bumpous

Dear Di:
(Alliteration, doncha know) Well, it certainly has been real, hasn't it. It seems that I know you much longer than the short three years I have. It's been rare working on the P+P and PADC with you. You're a sweet girl and I hope you stay that way. I'm not saying my fond farewells because I expect to see you at JC. I wish you the very best of everything good for the future in the way of happiness, luck, etc, etc.

Dear Diana,

Well, our days at S.P.H.S. are about over. It has been swell for me and I hope it has been equally wonderful for you. Don't forget "ye o' P. & P." and the sophomore and junior editions when we were same. It has been nice knowing you because you were calm and collected most of the time. I hope you have loads of success and happiness!

Nancy Shaw

Dear Diana

Dear Di
Don't let the last few years go by unnoticed in life's span - inconsequential as high school may have been (awright, awright!) I'll remember you always, or at least until I forget you. But seriously let's never relinquish our friendship and always keep in contact wherever we are. See you at the
